CHOOSING A DENTIST

A Delta Dental PPO dentist must provide covered benefits. In almost all cases, services rendered by a dentist that is not in the Delta Dental PPO network are not covered. There is one exception. You may receive covered benefits from a dentist that is not in the Delta Dental PPO network if the covered benefit(s) are emergency services and you are at least 35 miles from a Delta Dental PPO dentist’s office. However, your benefit maximum for all emergency services provided by a dentist that is not in the Delta Dental PPO network is limited to \$50 per benefit period. **Emergency services** are covered benefits that require immediate attention to alleviate severe pain, swelling, bleeding or to avoid serious jeopardy to your health.

Delta Dental PPO dentists have agreed to accept the Delta Dental PPO plan allowance. Delta Dental PPO dentists will submit claims directly to Delta Dental and we will issue the payment to the dentist.

You are responsible for the dentist fee(s) when you receive dental services from a dentist who does not participate in the Delta Dental PPO network; unless, they are emergency services and a Delta Dental PPO dentist is at least 35 miles away.

Please visit DeltaDentalVA.com to find a participating dentist in your area.

The following chart illustrates how choosing a network dentist helps you save on out-of-pocket costs.
