Dear Parents,

We hope that your child's summer vacation is not only fun and relaxing, but also an opportunity for them to continue to learn while exploring new interests and activities. In preparation for your child's fourth grade year, we strongly encourage our rising fourth graders to begin practicing and memorizing their multiplication facts through 12 over the summer. Doing so will help your child with their transition to fourth grade math.

We wish you and your family a safe summer and we look forward to seeing our new fourth graders in the fall.

Sincerely,

Coventry Elementary Fourth Grade Teachers
